Warmer Weather

As the summer weather warms up we understand your offices may feel warm at times. We recommend keeping blinds closed overnight and in the morning hours. This will help keep the sun from overheating your offices and lighten the load on our HVAC units. If you have concerns please don't hesitate to reach out to the Leasing Office at 206.766.8765.

FREMONT SOLSTACE PARADE – This Weekend!

Saturday June 22, 2019 at 1:00 pm

Start: NW 39th St and Leary Way NW.

Finish: Gas Works Park for the Fremont Solstice Celebration. Celebrate the longest day of the year with the Fremont Arts Council's most spectacular event! Join more than 60 dazzling community-based ensembles parading down the streets of Fremont with giant puppets, stilt walkers, floats, dancers and musicians in this kaleidoscope of joyous human expression. Then, end the parade with the Fremont Solstice Celebration at Gas Works Park, celebrate with local and national street bands, food trucks, a beer garden, and more art!

What makes the Fremont Solstice Parade unique?

- **EVERYONE CAN BE AN ARTIST.** Full participation is completely open to the public!
- **PEOPLE POWERED.** No motorized vehicles are allowed
- **ALL ABOUT THE ART.** No printed words or logos are allowed. Participants relish the challenge of proclaiming their message through creative expression.
