Valentines Day

Parking Reminder

Orcas Business Park is happy to be able to offer free parking to our tenants. In order to keep the parking available and free we must monitor who parks in our lots. Most of you likely recall we ask that all tenant and employee vehicles be registered with the office. All registered vehicles will receive a parking sticker allowing them to park on the premises. Stickers should be displayed visible on the driver's side windshield where you might normally display an oil change sticker.

To limit illegal parking, we will not hesitate to tow vehicles that are unregistered or do not have a visible parking sticker, especially vehicles that are parked overnight. To avoid having your vehicles towed and impounded at your expense please make sure any and all employee vehicles are registered with the office by emailing tara@orcasbusinesspark.com with the employee's name and the make, model, color and license plate of the vehicle along with an emergency contact number. Also, if you are going to park a vehicle here overnight please send an email letting us know so that it does not get towed!

A Moment For You Massage:

Serving the Seattle area since 2009 and here in the Orcas Business Park since 2015. We are a small but growing massage therapy clinic helping clients recover from injury, stress and overworked muscles. We have just added another member to our team and would love to see any of our neighbors if the need arises. We specialize in deep tissue techniques which include stretching as well as a number of other massage techniques which will help increase mobility and decrease the effects of stress on the body.

*Happy
Valentine's
Day*

If you would like to schedule an appointment with us, please visit our website at <https://amomentforyou.com> and select a time that works in your schedule. Please let us know you are a neighbor and we will apply a \$25 credit to that session. We are so happy we are here among you all and look forward to an amazing year.
